

Biography for Bekki Bibko

Bekki spent her childhood in Essex & South Suffolk where she was taught to be socially and environmentally conscious by her parents, grandparents, uncle and aunt before going to the University of Nottingham to study French & Russian.

After graduating she became a youth worker in London & Russia before moving to Manningtree in 2005 and training as a teacher. She has taught learners from early primary school through to retirees.

Currently Bekki works for a local healthcare provider on a project to improve support for neurodivergent children in education. Bekki is married to Boris and they have two young adult children.

Bekki was the community lead for Plastic Free Manningtree, Mistley & Lawford from 2020-2022. Bekki's term as a PACE Trustee ends on 29 September 2026.
